Everything you need to make a five-minute film in one week, all for FREE.

Sign up at
campusmoviefest.com/ecu

MAIN STUDENT
CENTER ROOM 125
11AM - 4PM

#CMFatECU

**ECU WATER RESOURCES CENTER
AND THE NATURAL RESOURCES AND THE ENVIRONMENT
RESEARCH CLUSTER PRESENT:**

HURRICANE FLORENCE

This is your personal invitation to participate in this
East Carolina University special category!

**Tell a story that shows the relationship between
water, people, and the environment to win a
\$500 visa gift card!**

Films submitted under this category should reflect how Hurricane
Florence has impacted eastern North Carolina.

Stories that communicate the impacts or recovery from the storm on
individuals, communities, and/or environments are especially desired.

Any format is acceptable that helps to communicate a story about
Hurricane Florence, e.g., documentaries, science shorts, or story
narratives.

Films that integrate actual video or images from the time of the storm
and regional footage are especially encouraged*

*Permission is granted to use prior footage if student is submitting a film in this category. For example, if you are shooting a documentary and want to show pertinent information that shows the past and compares it to events happening now. If you are planning to use more than 10% or 30 seconds of prior footage, please email callan@campusmoviefest.com
